**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm getting computer & telephone service from a small competitive provider for less than I paid before. They provide just the service that I need, they don't push me to buy what I don't need. Everyone should have this kind of service available, no matter where they live. I understand part of the FCC's mandate is to make it easier for us all to communicate with each other.
